**Summary of reasons for decision:**

'Dishonored: Game Of The Year Edition' is an expansion pack for the previously classified game 'Dishonored' (OFLC No. 1200704.000, registered 2 August 2012). 'Dishonoured' was classified R18 with the descriptive note 'Contains graphic violence'.

The expansion pack bundles together the original game with three previously released downloadable content components: 'Dunwall City Trials', 'The Knife Of Dunwell', and 'The Brigmore Witches'. While the extent of the violence and cruelty is increased by the addition of these components, the degree and manner of presentation is consistent with that of the original game. There is nothing in the additional components that requires an alteration to the classification or descriptive note given to the previously classified version of the game.
